G. Consumer Rights. The CCPA provides California consumers with the following rights, subject to certain exceptions:

1. Right to Request Deletion

You have the right to request that Las Vegas Events delete your PI from its records, subject to certain exceptions.

Upon receipt of a verifiable consumer request (see below), and as required by the CCPA, we will delete and direct any service providers, contractors, and third parties to delete your PI from their records.

The Company is not required to comply with your request to delete your PI if it is necessary for the Company (or its service provider) to maintain your PI in order to:

- a) Complete the transaction for which the PI was collected, provide a good or service requested by you, or reasonably anticipated by you within the context of our ongoing business relationship with you, or otherwise perform a contract between the Company and you.
- b) Help to ensure security and integrity to the extent the use of the consumer's PI is reasonably necessary and proportionate for those purposes.
- c) Debug to identify and repair errors that impair existing intended functionality.
- d) Exercise free speech, ensure the right of another consumer to exercise his or her right of free speech, or exercise another right provided for by law.

- f) Engage in public or peer-reviewed scientific, historical, or statistical research that confirms or adheres to all other applicable ethics and privacy laws, when the Company's deletion of the information is likely to render impossible or seriously impair the ability to complete such research, if you have provided informed

4. Nondiscrimination.

We will not discriminate against you for exercising any of your CCPA rights. For example, we generally will not provide you a different level or quality of goods or services if you exercise your rights under the CCPA.

F. Submitting Consumer Rights Requests

To submit a California Consumer Rights request as outlined in this CA Addendum, please contact us at 1-888-299-1228 or marketing@lasvegasevents.com.

G. Verifiable Requests

We reserve the right to only respond to verifiable consumer requests. A verifiable consumer

request is one made by any individual who is:

- a) the consumer who is the subject of the request,
- b) a consumer on behalf of the consumer's minor child, or
- c) by a natural person or person registered with the Secretary of State authorized to act on behalf of a consumer.

If we request, you must provide us with sufficient information to verify your identity and/or authority to act on behalf of a Consumer. In general, we may ask you to provide identifying information that we already maintain about you or we may use a third-party verification service. In either event, we will try to avoid asking you for sensitive PI to verify your identity. We may not be able to respond to your request or provide you with PI if we cannot verify your identity or authority to make the request and confirm the PI relates to you. However, making a verifiable consumer request does not require you to create an account with us.

Additionally, you will need to describe your request with sufficient detail to allow us to review, understand, assess, and respond. We will not use the PI we collect from an individual to determine a verifiable request for any other purpose, except as required by law.

We reserve the right to charge a fee to process or respond to your request if it is excessive, repetitive, or manifestly unfounded. If we determine that a request warrants a fee, we will attempt to notify you as to why we made that decision and provide a cost estimate before completing your request. We will attempt to respond to a verifiable consumer request within forty-five (45) days of receipt, but we may require up to ninety (90) days to respond, under which circumstances we will notify you of the need for an extension.

If you have an account with us, we will deliver our written response to that account. If you do not have an account with us, we will deliver our written response by mail or electronically, at your option. Any disclosures we provide will only cover the 12-month period preceding the receipt of your verifiable consumer request. With respect to personal information collected on and after January 1, 2022, and to the extent expressly permitted by applicable regulation, you may request that such disclosures cover a period beyond the 12 months referenced above, provided doing so would not be impossible or require a disproportionate effort by us.

The response we provide will also explain the reasons we cannot comply with a request, if applicable. To the extent permitted by the CCPA, we will respond to no more than two requests during any 12-month period.

H. Authorized Agents

You may authorize a natural person, or a business registered with the California Secretary of State to act on your behalf with respect to the right under this CA Addendum. When you submit a Request to Know or a Request to Delete, unless you have provided the authorized agent with a

qualifying power of attorney, you must provide your authorized agent written permission (signed by you) to act on your behalf and verify the authorized agent's identity with us. We reserve the right to deny requests from persons or businesses claiming to be authorized agents that do not submit sufficient proof of their authorization.

To submit the above requests, each of which is subject to our verification, you may contact us at marketing@lasvegasevents.com.

Nevada Residents.

If you are a Nevada resident, you may have the following additional rights. Terms used in this Nevada section shall have the meaning ascribed to them by the applicable data protection law, including the definition of sale and covered information.

Do Not Sell. We do not sell your covered information; however, Nevada law requires us to notify you of your right to submit a verified request instructing us not to sell any of the covered information we have collected about you or will collect about you through our website. To submit your request, you may contact us as at marketing@lasvegasevents.com.
